

**Andrew County
U.S. Hwy 59 and Business Loop 29
Intersection Improvements and Resurfacing**

Welcome to our Online Community Briefing!

Please take time to explore the documents on this webpage to further explain the intersection improvements and resurfacing that are planned for U.S. Hwy 59 in Country Club Village in Andrew County.

The project involves revamping the intersection of U.S. Hwy 59 and Business Loop 29 as well as resurfacing U.S. Hwy 59 from the Buchanan County line to the intersection with Business Loop 29.

After you've had a chance to look at the displays and materials, please share your questions and comments with us. MoDOT employees are here to assist you and explain aspects of the planned project. Your input is very important to us.

For more information, use the online comment form on the webpage or call us toll-free at 888-ASK-MODOT (888-275-6636).

Thank you for taking the time to learn more about the project and share your views with us.
